Mother Angeline Moment

“IF YOUR WORK IS A CONTINUATION OF YOUR PRAYER LIFE THEN YOUR WORK BECOMES LOVE IN ACTION.” -MOTHER ANGELINE

In the time of COVID-19, many of us have found ourselves working from home, having almost all of our social interaction online, and until recently, carrying out any spiritual practices on our own or virtually. As someone who thrives in social settings with the support and energy of a community around me, I have found it very difficult to feel like I’m doing my part to help the world in this time of crisis. Sure, I can wear a mask, but how can I be of service to those in need if I’m stuck at home?

Mother Angeline’s words have made me reflect on where the root of my desire to serve comes from. We have a hunger to give and receive love that comes directly from God. When our work stems from our prayer, our every action becomes an act of love. On a given day, sometimes my act of love might look like designing a graphic for our website or adding to our board on Pinterest. It certainly doesn’t feel like a great act of courage, but I have to trust that my work will lead to someone’s encounter with our ministry and eventually Christ and his love.

I hope you all can find the value in whatever it is you are being called to in the absence of our programs this summer. You are in our prayers!

Alumni Update 3

What's Coming in 2021?

It's hard to tell what the world will look like this time next year, but we have every intention of having our programs in person. Everyone who was accepted for the 2020 programs will be invited to do their mission with us next summer at the location they had intended to go to if the programs had happened. We are praying fiercely that we will be returning to Our Lady's Manor in Ireland and Mother Angeline McCrory Manor in Columbus, Ohio. Below are some pictures from past programs. We plan on making more wonderful memories with you in these homes next summer!
