Mother Angeline Moment

“BE READY AND EAGER TO WORK FOR CHRIST WHEREVER HE MAY
SEND YOU.”

Where is Christ calling you to serve?

As a program, SALT has had to consider this question in regards to our events in 2021. After a whole year of virtual projects, we are desperately missing our missionaries and the residents of the Carmelite homes. We had to consider what is the safest for all parties involved, while still providing enriching programming. Although it had been our wish to bring all of you to our homes in Ireland and Columbus, we have been faced with a reality that makes that impossible this year.

The alternative, though unexpected, is still very exciting. Come summer, we may still not be able to go into the homes, but the Carmelite Sisters have kindly offered lodging at the Motherhouse in Germantown. This gives our missionaries the ability to gather in fellowship and do service, both for the Sisters and remotely for the residents, if need be. We hope you will bear with us as the program for this summer takes shape in the safest way possible. If all is well, staying in Germantown will give us the ability to visit Teresian House in Albany. For optimal safety, vaccines and testing may be required of missionaries in attendance. We will keep you informed as this vision takes shape

Please see the next page to participate in some polls that will help us create the program that will allow for optimal participation from you, our missionaries.

God bless,

Liz Lococo, SALT Coordinator
